Dear Dane,

Thank you for completing the candidate questionnaire. We appreciated your answers showing support for some of the key issues facing the construction industry in Wisconsin including:

- Reversing the changes made to Wisconsin's prevailing wage law in 2009
- The continued use of lowest responsible bidder on public projects
- Neutrality in government contracting that would prohibit union-only project labor agreements on public construction
- Creation of a uniform building code in Wisconsin

We believe that your values are well aligned with the vast majority of our merit shop contractors and the vision of ABC of Wisconsin.

Therefore, on behalf of the 800 members of the Associated Builders and Contractors of Wisconsin, we're proud to endorse your candidacy for the Wisconsin State Senate. We will be notifying the members in your district of our endorsement.

Good luck on your race. We hope to have the opportunity to work with you in the State Senate!

Sincerely,

Paula J. Severson
