

DANE DEUTSCH FOR STATE SENATE

“Leading with Character and Common Sense”

Dear Friend,

As you might know, I have officially entered the race to be your next Wisconsin State Senator for the 25th District.

Because the discontent of the American people is becoming so evident, I have decided that, I, personally, would like to make a difference in the challenges of today. I realize, however, that I can not do it alone. **I need, and want, YOU on my side!**

Therefore, I am asking for your assistance in supporting the **“Dane for Senate”** team so that we can help assure a Republican majority to the State Senate. Won’t you please join me in making this happen? Your ideas, feedback, voice, prayer, vote, and financial support are **absolutely necessary!**

The voters thought they were going to get change in the last election, but what they got and what they are getting, are not exactly what they had in mind. They are beginning to catch on, however, which is apparent by the big Republican victories in key states like New Jersey, Virginia and now Massachusetts. We are just at the beginning of a GOP turnaround. Would you please help me keep that momentum going?

Your most generous contribution to my Senate campaign - \$10 - \$1,000 - or **anything** you can afford, will mean all the difference in **“our”** cause. Every penny will count, you can be sure of that! Won’t you please take a few minutes now to send your donation? Please send it to: Friends of Dane Deutsch, Post Office Box 232, Rice Lake, WI 54868.

I thank you very much in advance for your support and look forward to serving as your next Senator in the Wisconsin State Senate. (Please see back of handcard for my background and qualifications.)
